

HOW DO I BECOME A MEMBER OF THE MANAGEMENT COMMITTEE?

To become a member of the Management Committee you have to be a member of the Association. To become a shareholder you need to complete an application form pay £1.00. The Management Committee will consider your application at one of their meetings and, if approved, you will then become a member of the Association

The usual way to become a Management Committee is to be elected at the Association's Annual General Meeting (AGM). This meeting takes place in September of each year and in order to stand for election you are required to have someone complete a Nomination Form, nominating you to become a member of the Management Committee. At the AGM all nominations are presented and if there are more nominations received than places available, on the Management Committee, there will be an election. All members at the AGM will vote and the people with the most votes will be elected onto the Management Committee.

Sometimes during the year casual vacancies may become available and you may be invited to fill one of these vacancies. However, in order to become a full Management Committee you would then have to be formally elected at the following AGM.
